To: Vancouver Technical Alumni

Dear Grads,

Van Tech, one of the oldest and largest secondary schools in the province is presently without an Alumni Association.

It is the hope of the present administration that a process to develop an Alumni Executive will take place over the next few months.

It is our hope that Van Tech grads will come forward to form the first **Vancouver Technical Alumni Executive**.

Once in place the Executive would develop an Alumni Association made up of students from the long and rich history of the school.

The Alumni Association would work with the administration to improve the education opportunities of the present Van Tech students.

Through a few meetings (max. 3 to 5 a year) the Alumni Executive and Association would host one or two social events that would raise funds for scholarships and other expenses that are not funded out of the current education budget.

We would like to ask that you consider this important opportunity. Van Tech has many successful grads that would like to keep in touch and assist with this worthwhile endeavour. **Today's students are our most precious resource!**

This commitment would of course be voluntary and flexible. No one person would be expected to carry the load, **many hands make light work**.

We hope you will give this request some thought. Help Vancouver Technical Secondary School begin this exciting and new initiative.

If you would like more information or are interested in being part of the Vancouver Technical Alumni Executive please e-mail or call either Mr. David Derpak, the present Vancouver Technical Principal at [dderpak@vsb.bc.ca](mailto:dderpak@vsb.bc.ca), or phone 604-713-8215 or [emacaulay@vsb.bc.ca](mailto:emacaulay@vsb.bc.ca) or phone at 604-713-5882.

  
Sincerely

Ed MacAulay
